Diploma in Instrumental/Vocal Teaching and Music Education

An important note about the entry form

It is vital when processing your entry that we understand how you plan to fulfil the Diploma prerequisites and requirements and that you know what to do, and when, in order to be able to take your exam.

It will be essential to have this information sheet open for reference as you complete the entry form so that you can refer to the relevant guidance notes – whenever you see the **note number** in the margin of the entry form you should refer to the Supplementary Information where important details and guidance are given.

You will also need to refer closely to the *Diploma Syllabus* (www.abrsm.org/diplomas) and the *Dates and Fees* leaflet for your country – cross-references to syllabus page numbers have been given in these notes where appropriate.

If you require further information or guidance please contact your local Representative.

3 Exam date preferences

note 13 Refer to the *Exam Information & Regulations, International Edition*, or the *Dates and Fees* leaflet for details of exam periods and closing dates for entries in your country.

You may indicate a date preference here, but we cannot guarantee that your choice will be met. Appointments may be given for any date within the whole of the examining period, subject to the availability of ABRSM's examiners, so please ensure you are ready for your exam from the first day of the exam period.

4 Centre details

note 14

You may apply to take a Diploma exam at any of the public centres visited by ABRSM's examiners. However, your first choice centre is not guaranteed, and it may be necessary to travel some distance to take your Diploma at another public centre. Timetables will be arranged to suit the majority of candidates and to fit in with the itineraries of our Diploma examiners.

note 15

If you would have to travel a long distance to the nearest public centre it may be possible to hold your exam in a school or private studio, provided there is a sufficient number of candidates to justify a visit from the examiner. This may include graded exams.

If you are a candidate whose instrument is Harpsichord, Organ or Percussion, there is no minimum number of candidates or time limit.

Private centres must be provided at no additional cost to ABRSM (see *Syllabus* p37 for further details).

Please give the centre name, if appropriate (for example a school or institution), and full address and contact number.

5 Checklist

note 16

This checklist is designed to help you make sure that you have sent us all the relevant enclosures and proof documents.

It is essential that the correct documents are sent with your entry – we may not be able to accept incomplete entries.

You must ensure the following:

- all **prerequisites** have been fulfilled and proof is enclosed as necessary (see **note 17** below)
- **substantiating evidence** has been enclosed if you wish to fulfil a prerequisite or exam requirement through a listed substitution (see **note 17** below)
- your **Written Submission** (DipABRSM and FRSM only) or **Case Study Portfolio** and **Video of Teaching Practice** (LRSM only) and a **candidate declaration form** have been enclosed with your entry (see **note 18** below).
- **ABRSM approval** has been sought and given in advance for appropriate professional experience as a substitution for a prerequisite (see **note 19** below)

You need only refer to the section of the checklist relevant to your chosen level.

To help you distinguish between what you must do and what is optional the checklist has different coloured tick-boxes.

- The thick black boxes indicate the standard ABRSM prerequisites/requirements.
- The thin black boxes indicate substitutions which you may make for the standard ABRSM prerequisites or requirements.

note 17

Prerequisites and substitutions – proof of fulfilment & substantiating evidence

Awards made by ABRSM

The standard prerequisites are all awarded by ABRSM. You will need to enclose a photocopy of your certificate, mark form or other documentation as appropriate, with your entry form.

Listed substitutions – awards made by other bodies

You must enclose evidence substantiating your application for a listed substitution. Where your substitution is a qualification, you should submit a photocopy of your certificate. For courses and course components, a signed declaration from the course provider will normally be acceptable.

Please note that full and up-to-date details of the qualifications and courses which can be used as substitutions appear on our website www.abrsm.org/diplomas.

note 18

Exam submissions and candidate declaration form

Candidates for all levels have to enclose a submission with their entry form (unless DipABRSM and FRSM candidates are substituting the Written Submission). All candidates are required to complete the relevant candidate declaration form (**section 6a** or **6b** of the entry form). Please refer closely to the *Syllabus* to find out how to present your submissions and how many copies to submit (see pp28–34).

note 19

ABRSM approval

If you are applying for appropriate professional experience as a substitution for a prerequisite or are entering for FRSM (for which you need Written Submission topic approval), you must gain ABRSM's written approval before completing and submitting this entry form. You must enclose copies of these letters of approval with your entry form.

Applications for appropriate professional experience in fulfilment of a prerequisite should be made on the approval form contained in Appendix 3 of the *Syllabus* – this form is also available on our website.

6a Candidate declaration form **DipABRSM and FRSM only**

note 20

DipABRSM and FRSM candidates are required to send their **Written Submission** together with a completed **candidate declaration form (section 6a)** with their entry.

note 21

LRSM only LRSM candidates are required to submit their **Case Study Portfolio** and **Video of Teaching Practice** with their entry form, **no later than three months before the published last date of entry**. You may proceed with your entry *only* if the Portfolio and Video are awarded a pass, and we will notify you of this at least one month before the published last date of entry. You must then pay the remainder of the entry fee before the last date of entry, at the same time enclosing either your **Written Submission** or documentation supporting a substitution.

Candidates who gain a pass for their Case Study Portfolio and Video of Teaching Practice must proceed to take the rest of the exam in the *next* examining session. Candidates who gain a pass for the Portfolio and Video but choose not to enter to take the rest of the exam in the following session must re-enter for the whole exam at a later date, re-submitting their Portfolio and Video, and paying the full entry fee.
